## **Pennsauken Public Schools**

1695 Hylton Rd. Pennsauken, NJ 08110  
(856) 662-8505 FAX: (856) 663-5865

[www.pennsauken.net](http://www.pennsauken.net)

### **District Profile**

**Pennsauken is an urban, middle class community of approximately 35,000 people in Camden County. Its 10.5 square miles are home to people of a broad range of ethnic backgrounds. The schools in turn are a reflection of the community and a microcosm of society in today's world.**

**The Pennsauken School District provides for the education of approximately 6000 students in grades pre-kindergarten through 12. Enrollment figures are currently on the increase following a period of decline. The physical make-up of the district consists of a four-year high school, a middle school, eight elementary schools, one pre-school and one alternative school located strategically throughout the Township.**

 **In the elementary schools,** students receive instruction in the basic subjects such as, language arts, mathematics, science and social studies with specialized instruction in art, music, health, safety, offerings include remedial reading, remedial mathematics and programs for the gifted/talented as well as special education. State of the art science labs were introduced during the 1993-94 school year to prepare our students for the technological advances of the 21st century.

 **A magnet school, grades K-5,** was established in 1984 as part of the district's desegregation plan. The magnet school, recognized as one of the finest in the state, boasts an extended school day, an enriched curriculum, and a full day kindergarten program and is available to eligible students selected by lottery. The magnet school allows its students to express themselves through an

In addition, the district employs three student assistance counselors to address those social problems prevalent in today's society such as substance abuse, alcoholism, etc.

 **Recently, the district underwent a rigorous evaluation by the New Jersey Department of Education** and received a full seven-year certification. This reinforces our belief that the Pennsauken School District is offering the most effective programs/services to meet the needs of its children.

 **We in the Pennsauken School District** are proud of our schools and the accomplishments of our students. Much of the success the district has experienced can be attributed to a number of factors; the efforts of an experienced and dedicated staff, conscientious leadership, a board of education supportive of programs to improve

extensive variety of performing and visual arts programs.

 **For the middle years, the Howard Phifer Middle** is an impressive institution. The middle school is a single story, tri-wing structure, which operates under the "school within a school" concept. Under this plan, each grade level has its own wing and designated administrator. Students in the middle school study a basic range of courses, including science, math, language arts, social studies computer technology, and for our special needs students, special education.

 In addition to its regular curriculum, the middle school offers a wide range of electives, clubs, and extracurricular activities, including a full schedule of inter and intrascholastic athletic programs, all of which contribute to the growth of the "total child".

 **Pennsauken High School** is a modern facility located on an expansive site surrounded by an athletic complex second to none. The high school provides a comprehensive curriculum, which includes a diversified, yet flexible program of studies and activities to help students develop into effective, responsible members of society. Pennsauken High School offers students over 220 courses to help prepare for careers or higher education. Selected courses are offered in conjunction with local colleges, and summer and after school programs combined with some creative scheduling enables students to expand their course offerings.

 A full, comprehensive college preparatory program is offered with advanced placement courses in chemistry, physics, biology, anatomy, physiology, English, social studies and foreign language. College preparatory mathematics courses range from algebra to

education and an active PTA/community who get involved with schools. Through this cooperative effort, the Pennsauken Public Schools are a proud part of Pennsauken's past, positive force in the present, and an inspiration for the future.

## PROGRAMS AND SERVICES

- Writing to Read
- Latch Key program
- Learn to swim Program
- Pre-School & Pre-School Handicapped Programs
- Magnet School K-5
- Gifted & Talented Program
- Camnet Technology Program

mathematics courses range from algebra to calculus. Social studies courses include psychology, sociology and a host of other. Advanced courses in Japanese, Russian, micro/macro economics, probability & statistics/discrete math and world geography are offered via satellite. Students with broadcasting in their future can take part in the district's modern television studio and TV station WPSS-TV, which telecasts 24 hours a day on Channel 18.

 **Cooperative work-study programs** are offered in the senior year in business, distributive education, industrial arts and special needs areas. High technology is also part of the high school curriculum. Courses are offered in computer literary, computer science, electronics, automotive technology, computer-assisted drafting, and computer-assisted art. Special education and remedial instruction is available to students needing special help.

 Students have an opportunity to participate in a variety of extracurricular activities including service clubs, tutorial programs, drama clubs and school musicals. All such activities enable students to utilize and develop their special skills and talents.

 In addition, the high school offers a comprehensive athletic program and interscholastic for the competitive and intrascholastic for the fun loving! Our athletic teams and the award winning Apache Band and High School Jazz Band are renowned throughout the tri-state area.

The Pennsauken School District provides a full complement of counseling services grades K-12. Every effort is made by the schools to identify existing or potential problems in a student's life and to resolve them. In recognition of this responsibility, the district has five child study teams consisting of psychologists, counselors, learning disabilities specialists and social workers.

Quality products. Quality services. Quality people. At Aluminum Shapes, every aspect of our company is built around a commitment to quality. Our quest for excellence is driven by a work force of dedicated individuals working together to meet the exacting needs of our customers. Aluminum Shapes' unsurpassed, full-service aluminum extrusion capabilities are contained at our 1.5-million-square-foot manufacturing and distribution facility on fifty acres in Pennsauken, New Jersey.

As one of the largest privately held aluminum extruders in the country, we serve a diversity of customers in the transportation, architectural, distribution and defense industries.

Our recent installation of the most modern large extrusion press in North America has earned Aluminum Shapes its place as a leader in the aluminum extrusion industry.

As part of our ongoing commitment to quality and customer service, Aluminum Shapes is implementing a new information system designed to streamline business processes at every level. This fully integrated system provides us with real-time information on every aspect of our business, including quality procedures, order status and lead times.

With our continued investment in, and commitment to, the latest computer, manufacturing and educational technologies, Aluminum Shapes stands out as an industry pacesetter, shaping the way for the future in aluminum extrusion.

**ICEE-USA expands it's universe with the acquisition of the international rights for the popular ICEE brand.**

**1996**

**Here we grow again with the acquisitions of:**

- **Pretzel Gourmet Corp., a hand rolled soft pretzel speciality retailer.**
- **Mazzone Enterprises, Inc., a Midwestern producer of Italian ice and frozen deserts.**
- **Bakers Best Snack Food Corp., makers of DUTCH TWIST Soft Pretzels.**

**A new frozen warehouse and distribution center is opened in Vernon, CA.**

**1997**

**More planets are added to the galaxy with the acquisitions of:**

- **Pretzels, Inc., makers of TEXAS TWIST Soft Pretzels.**
- **Mama Tish's International Foods, makers of MAMA TISH'S Premium Italian Ices**

**Sales exceed \$220 million.**

**Pretzel Gourmet Express, an upscale branded concept for foodservice operators is introduced.**

**1998**

**The universe grows and the galaxy expands as J&J acquires its biggest planet to date, National ICEE Corp., thru its ICEE-USA subsidiary. National ICEE Corp. with annual sales around \$40 million, distributes ICEE products in the Eastern U.S. This acquisition significantly increases the J&J Galaxy and the Frozen Carbonated Beverage business.**

**MRS. GOODCOOKIE, a line of ready-to-bake cookies is introduced.**

**J&J enters another solar system, cyberspace. [www.jjsnack.com](http://www.jjsnack.com) goes on-line.**

**Sales reach \$262 million**
